**APPLICATION FOR
AGRICULTURE ENERGY EFFICIENCY
LOAN PROGRAM**

Applicant: _____

Mailing Address: _____

Social Security Number: _____ City _____ Zip Code _____
County: _____

Authorized Representative _____ Signature _____

Title _____ Telephone _____ Fax _____

Email _____

Total project costs (including installation) \$ _____

Amount requested from the Energy Division \$ _____

All agriculture projects must comply with the applicable federal, state, and local water allocation, environmental protection, building, electrical and plumbing laws, regulations, and codes.

☒ **Your Loan Project Proposal Must include the following items:**

1. Description of your farming operation (*crop, cattle, dairy, etc.*) and energy sources.
2. Detailed description of the project (*must at least include project objective, proposed equipment to be installed and resulting benefits from project*).
3. Proposed budget detailing total project costs [include equipment, installation, contractual services, trade-in allowance, utility rebate, government agency cost share, net cost of project, and loan amount requested].
4. Project simple payback (total project cost/total project saving).
5. Schedule for project implementation.

☒ **Your Application Package Must also include:**

1. **Federal Income Taxes returns** (*for the past two years with all schedules completed*)
2. **Current, signed balance sheet** for all parties (*within last 6 months*).
3. **Profit and loss statement** for the current year or a copy of the Budget used for your operating line of credit if no income tax form has been filed this year.
4. **Applicant(s) bank name, address, phone number, and servicing officer**
5. **Type of ownership or management**
 - ☐ **Sole proprietor**
 - ☐ **Partnership** (supply copy of partnership agreement, name(s), address, and social security numbers of all partners)
 - ☐ **Corporation** (supply a copy of Articles of Incorporation, name, address, and social security number of all owners of the corporation)
6. **Copy of deed and exhibits to deed where the project is located.** (warranty deed, deed of trust or mortgage).

Other Names under which you are doing business: _____

Legal Description of Property where project is to be located: _____

Are you buying the land on contract where the project is located? Yes ____ No ____

If Yes, **Provide a copy of the contract complete with all schedules.**

The seller of the property is required to sign a sellers' waiver. A seller's waiver will allow a fixture lien to be recorded on the property and allow Idaho Energy Division to recover the collateral. The seller is not liable to repay the loan.

If No, **Provide a copy of the deed of the property. Include all exhibits to the deed.**

Is the land being leased where the project is to be located? Yes ____ No ____

If Yes, **Provide a copy of the lease complete with all schedules.** The landowner of the property is required to sign a landlord waiver. A landlord waiver will allow a fixture lien to be recorded on the property and allow Idaho Energy Division to recover the collateral. The landlord is not liable to repay the loan.

Financial disclosures

Have you ever filed for bankruptcy?
Have you ever been foreclosed on?
Have you ever given a deed in lieu of foreclosure?
Have you filed income tax returns?
Are any returns under dispute?
Do you have any outstanding liens, judgments,
suits, or litigation pending?
